Escapade iii

Welcome! We're very glad to have you here in Santa Barbara, and we're planning on a monsoon-free weekend this time (for those of you who remember the near-Biblical floods of '92).

We have added some additional scheduling, and we would *really* appreciate it if you read through your program book to find out about the events we have planned. We still maintain the "relaxation" theme here, however, and you'll have plenty of time for parties, meetings, video watching, shopping, touring the city (which we strongly suggest—Santa Barbara is a beautiful place to visit) and anything else you'd like to do. (We even have a tentative field trip planned to the local nude beach....)

If we or the hotel can do anything to make this convention more fun for you, please let us know.

We chatted with our local Chamber of Commerce and AAA, both of which kindly supplied information and brochures on excellent restaurants and interesting things to do. You'll find this information in the Con Suite, room 210. The Con Suite also offers snacks and sodas, and an opportunity to meet and visit with other convention attendees. Say 'hello' to our Con Suite slave, Paul, who has generously donated his time this weekend to hang out with slash fans, watch tv and, in general, be a teddy bear and Sherpa for our entertainment (it's a tough job...). Also in the Con Suite, avail yourself of open video programming, where you can show anything you want to convert your friends! (There might be a *teeny* bit of Wiseguy programming going on...!) Thanks for coming; we wish you a wonderful, fun-filled weekend.

Massage... Nicola [REDACTED] and Sean [REDACTED] have been practicing massage therapy in Santa Barbara for several years. They are both excellent, each with her/his own individual specialties and styles. Each person will work with you, to provide the "depth" you prefer and a relaxing, renewing experience.

Psychic Readings... Lauren Alyssa will be available by appointment throughout the weekend, for private or small group readings. All readings are confidential.

Sign up for massage and Psychic Readings on the schedules in the Con Suite.

And now, a word from Shoshanna...

Welcome to the Escapade Art show. We have plenty of lovely art for your delectation and admiration, and we hope you'll all take home a souvenir or two (or three, or...). Please, no food, drink, cameras for camcorders in the art show, and don't fondle the art until after you've bought it.

All bids must be in whole dollar amounts, and two bids will send a piece to auction. Make sure your bid is more than the previous one, or if you're the first bidder that it is at least as much as the minimum bid. Your bid is a commitment to buy the piece at that price if no one outbids you; you may not cross it out once written. Please keep track of how much you've committed yourself to spending; it would be a shame if you had to hock your ticket home and stay here until next year's con. Enjoy!

Video Duping Room Information—Room120

Friday 1 p.m.-4 p.m.—Check-In Tapes

Friday 4 p.m. Sign-up for duping requests opens. Everyone gets one two-hour duping opportunity. Sign up early!

Any remaining slots will be offered first to Gophers and people who brought tapes, then to the rest of the membership.

Any additional taping time will be allocated on a first come, first served, basis.

You may borrow tapes from the duping library to watch in the Con Suite Open Video, or in your room if you brought a VCR.

There will be one self-serve duping setup (if you want to pick and choose from a tape, for example).
