

# Escapade 21

When You Say  
Escapade,  
You've Said It All

## **Orienting yourself.**

---

The Crowne Plaza Ventura Beach is a convention-friendly, fan-friendly, and dog-friendly hotel. Why do we mention dogs? Because Jenn and Charlotte's dog will be our mascot, supported by Ashlyn's Great Dane and Barb's boxer. So if you see a dog around, check to see if it has a convention badge before you worry about outsiders showing up in your event.

We have most of the function space on the ground floor; the convention suite continues to be located on the 11th floor; and breakfast will be in the Top of Harbor room (Bayview on the elevator button) room, top floor with panoramic views. **The art and charity auction will also occur there, and will start just as breakfast begins to wrap up.**

Early registration--which you may know by now, since you had to go there to get this--was in the pre-function area near the hotel bar, downstairs off the lobby. Please take a moment to let us know how that worked for you. Did it increase visiting, socializing, etc.? The hotel bar is con friendly, and we hope holding reg near it helps to remind you on this, the year that Escapade is of legal drinking age. Feel free to bring drinks into all function space except the art show. The patio area outside the bar also has comfortable chairs, and in the evening all of the braziers and space heaters are on to make the space comfortable.

Drop into Santa Rosa to peruse the Slash Swap Meet, relax at small cocktail tables, use the convention computer to update your LJs, and visit with other fans.

Stop by the dealer's room (San Miguel A) and visit with Ken Dase, who has been our dealer's room onsite staff member for over 10 years. We love him dearly.

The Art Show is also in **San Miguel A.**

**San Miguel B:** main con space. Large panels, vid shows, and Friday night party.

**Santa Cruz:** fandom panels.

**Buenaventura:** tech track and alt programming.

### **The CONVENTION SUITE has:**

- Information on local attractions like restaurants and liquor stores
- other attendees
- snacks and the meta/discussion room, for exciting your brain
- Games and the fanzine library ("room 3")
- a TV/DVD set up for watching stuff with your friends ("room 3")
- All the crunchy, chocolaty goodness that is Escapade

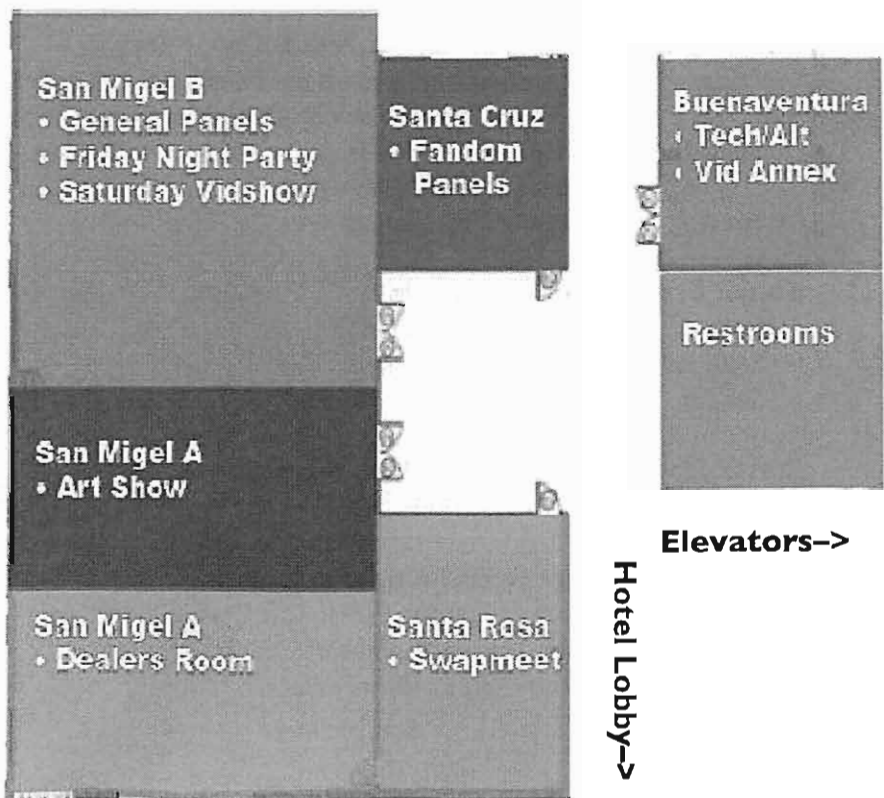

Misti is still your consuite hostess. Your convention fee stocks the con suite with food and drink at the beginning of the weekend. Your generosity keeps it re-stocked, as it has for the past 20 years. The "tips" jar is on the bar, for your contributions to keep food and drink flowing throughout the weekend.

**More Vids.** Years ago (after Vividcon 3, maybe?) someone casually said, "Before vividcon, Escapade was the only game in town!" We'd like to honor that vid-intensive past by introducing some more songvid programming, starting with the **Escapade Vid Show Retrospective**. The retrospective will include vids from Escapade's first 10 years, including, well, a literal "Escapade" vid.. Kandy Fong, who managed the vid show for many years, has compiled the retrospective which will air before the party, on a big screen but with a drinking game and open door policy. (Repeat showing may be scheduled in alt programming, if enough people would like to watch them again/more closely.)

Still more vids could show up... be on the lookout.

#escapadecon. Tweet away. We have our own hashtag!

## **A few Details of Escapade**

**Raffle.** Drawings for various prizes will occur throughout the weekend, but for the two big, man-sized prizes, you need to be present to win. Where, you ask?

- Friday at the Party (Drink! Nosh! Win!)
- Sunday at breakfast (Devour! Laugh! Don't Eat Your Ticket! Win!)

And how do you get these tickets? All attendees will receive 1 raffle ticket in their registration packet. You can get additional tickets by:

1. Donating \$1 to the Escapade Charity (Ventura County Food Bank)
2. Finding the answers to the questions on the game card you'll receive in your registration packet. **RULES ON THE CARD**; honor system; enjoy!
3. Finding 5 other people with the same fortune you found in your cookie, and presenting them en masse to a ticket hostess.
4. Finding 5 other people with *different* fortunes than the one you found in your cookie, identifying what fandom, character, and ep they're from, and presenting *them* en masse. No, really, it's worth it! Free tickets!

**Other Charity Stuff.** JenCat004 is collecting room freebies (shampoo, conditioner, coffee, etc) at her dealers table, *Nothing But Cool Stuff*. All items will be donated to homeless shelters and/or mailed to soldiers. Every time you drop something off, you get an entry into a drawing for prizes, so donate what you don't use every day!

## The Future.

---

We'd like to think that eventually, less than half of our conventions will have been presented during a war (Escapade I: Gulf I). Escapades 2002-now: Gulf II). Seriously, this is getting weird.

That said, anyone born at the first Escapade is old enough to toast to auld lang syne, and to wonder why the hell we still drive, fly, and train across the country when we "see" each other on the web most days. The answer is only found in the hotel halls, and the function spaces, and the fact that laughter (and bitching) isn't all virtual. Cons can have their own lives, and we like to think Escapade does, too: crochety at times, amusing at others, brilliantly intellectual before the real drinking begins, joyful always.

At its heart, Escapade continues to be what it was born as: your convention. Your programming ideas, your panel chairing, your songvids, your stories. Your laughter. This year more than ever, we're feeling old and phat and happy, and we hope you'll share that pleasure with us. And if along the way, you find something *really* cool to fight about in a panel room, LET US KNOW! We want to be there!

Jennifer, Charlotte, Misti, Dail, and the Escapade convention team

## Friday

10:00 am

San Miguel B

**Good morning, sunshine!**

Can't wait to get the party started? We've got coffee and snacks to set the mood.

11:00 am

San Miguel B

**Welcome to Escapade** Jennifer, Charlotte C. Hill

Start off the convention by greeting all your friends, and casting your votes for the wildcard panel (What do we want to talk about now...) and the flashback to Escapades past panel (Wayback Machine).

1:00 pm

San Miguel B

**Are TPTB messing with us?**  
Dail, Julie

Last year there was NCIS:Gay, er LA. This year there is Hawaii 5-0. Totally married hot male buddy leads. Is this dynamic deliberate on the show runner's part? They can't be naive enough to not know what they're doing, can they? Or are they simply hearkening back to the 'buddy shows' of 20 or 40 years ago?

Santa Cruz

**Castle: Something for (Almost) Everyone** Shrift, Ivy

Castle is a mystery wrapped in a comedy wrapped in a procedural, dipped in a warm and light-hearted murder sauce. Come and discuss the TV show and the tie-in novels, or find out why Castle is so charmingly gruesome.

Buenaventura

**Try a New Fandom!** Saklani

A mini-fic exchange where everyone agrees to write/vid/art in a fandom that they have no familiarity with for someone else in the panel. A due date will be set within the group, and there will be time to do some discussion and maybe even get started!

## Friday

2:00 pm

San Miguel B

**Flattering or creepy?** tartysuz,  
charlotte c hill

Are slash writers flattered or creeped out by increased canon references, academic notice and public reviews? Is the attention-encouraging or does it push slash under f-lock?

Santa Cruz

**Hawaii Five-OH! Wedded bliss. With guns. And snark.**  
Sinead, Taz, M'lyn

What makes the Steve/Danny buddy cop dynamic in H50 better than the sum of its parts? How is it different than other buddy cop shows? In 2011, can any tv producer still claim to be ignorant of subtext? Let's talk about what makes this show feel so gay, and how it compares to other buddy pairings that get slashed.

Buenaventura

**ebook hardware: Show and tell, upcoming toys** Delibby,  
melina

Kindles, nooks, Sony Readers, iOS things, Android tablets... What we have, what are we looking at getting? Whether you're thinking about getting started or you've been reading for years, join us to talk about tech toys.

3:00 pm

San Miguel B

**It's the End of The World as We Know It** Glori:na, Dail

Zombies, comets, plague and pestilence – reading or writing, what's the appeal? Let's look at the qualities adverse circumstance can bring out in characters and pairings, and whether certain fandoms are better suited to such blight than others.

Santa Cruz

**Who are Sherlock Holmes and Doctor Watson?** taz,  
christy, Dorinda, Stacy D

Sherlock Holmes has 4 novels, 56 short stories, and 100+ years of fanon to its name, but with the introduction of the new Sherlock series, it updates the Victorian concepts for a modern re-telling. How does this new Sherlock Holmes and Doctor Watson compare to the canon, and how have they been influenced by previous film and television portrayals?

**Acknowledgment Forum**  
Jennifer

In fannish disclaimers, it's become customary to acknowledge the creators of our source material. But how often do we take the time to thank the fans who've inspired us? These may be our closest friends, or people we've never met. Come and share some of your inspirations. Hey, you might have inspired someone without even knowing it.

4:00 pm

San Miguel B

**Proslash** Delibby, Marie S

It's been a year since we last gathered to talk about the rise of m/m books. A few weeks ago Library Journal had an article about it as a new genre with buying suggestions to start a collection. Does your library have any? Does your local bookstore? Let's talk about books. What's new? Where are you buying? Who are you buying?

Santa Cruz

**What do we want to talk about now?** TBD

We'll pick a topic at the Welcome to Escapade panel, recruit some volunteer moderators, and have an off-the-cuff panel about something that's so up-to-the-moment we couldn't even schedule it in advance.

Buenaventura

**Delicious - Rumors of Death Greatly Exaggerated?** Sandy H

Delicious, fandom's favorite bookmarking site may be getting shut down (or at least sold out) by The Man. What to do?

5:00 pm

San Miguel B

**Is the medium the mistress?** tartysuz, dorinda, elynross, Kahtya Sofia, Winston the Slash Dog

Fandoms stem from a wide range of media forms: TV shows, movies, books, sports figures, even songs and games. Source material can be a single book or movie, or it can encompass different universes, media, and eras, like Star Trek or Sherlock Holmes. Does the source type dictate the fannish styles? Do the different forms of media in a single fandom all count as canon?

Santa Cruz

**White Collar: No more secrets** Tracy L, K'Kathy, Stacy D

Peter and Neal both promised each other that and it lasted one whole episode? Trust issues are a pervasive theme in this fandom. What will it take for Peter and Neal to trust each other? Or is that even possible?

**The Bra Is Your Friend** Dail, Kadmymae/Devilc

With the massive success and happiness of last year's field trip to Aphrodite's Lingerie for proper education and bra fitting, we want to do this again. Guaranteed comfort (emotional and physical) for all.

8:00 pm

San Miguel B

**Escapade Songvid Retrospective** Kandy Fong

A trip back to the days of yesteryear, when vids were made on VCRs and Escapade was the place for vids and vid programming. Compiled by Kandy Fong, this show will survey vids from a variety of vidders and shows, covering Escapade 1992-2001 in a fun, informal environment.

**He/He. A Round Robin Story every 5 minutes!** Jencat004

He/He is a multi-fandom, insanely fun, round robin story game every 5 minutes! Everyone writes 1 thing on a paper, passes it around and another thing is added. In 10 years of playing this game, everyone (Except ONE person) has laughed themselves stupid. Easy to play, and SO addictive. Stay all night, or for a few minutes. Come join the fun!

## Friday

### **Escapade Party**

The social event of the convention. We'll bring the snacks and drinks, you bring the good company.

## Saturday

9:00 am

Buenaventura  
*Alt Programming*

### **Professionals: Fic discussion** Krisser (kris)

Do AUs work? One AU, one half AU and one canon fic, let's figure out why some work well, and others don't. The fic to be discussed can be found online: *Night Moves*, *Angels and Angles*, *Fevers*, and if time permits, *Tis the Season*.

10:00 am

San Miguel B

### **What Rhymes with Ink? Kink!** Gloriana, Barbana, Commodore Marie

Wedging kink into your fandom: is it appropriate to the characters and the universe? Do we care? Come and discuss your new-found love of toe-bondage, your confusion over ponyplay, and the characters you like to see indulging.

Santa Cruz

### **Justified: It's about the hat. And the gun. But mostly the hat.** Kahtya Sofia, Christy

Timothy Olyphant: he looks good in hats. *Justified* is a smart, complex show with great relationships, and it came back on February 9. Come to talk about the first season and the beginning of the new season, or come and be pimped into the show.

Buenaventura  
*Alt Programming*

### **All the stuff you like: Pimping** Delibby, Kadymae/Devilc

Also referred to as *Pimping Free for All* or *Free Range Pimping*, this is your chance to rave about the wonders of anything. Did you find a great brand of shoes? A new author? The most comfortable set of sheets ever? Heck, we'll even talk about tv and movies. Come talk about anything you love.

# Saturday

11:00 am

San Miguel B **Uniforms and tough guys, and where has all the rough and tumble gone?**  
Kadymae/Devilc, Khaleesian

This topic is so badass, its description won't be contained by this space: Where have all the tough guys gone? Are they in UNIFORM, regimented, traditional, hyper-masculine? Or are they leather-jacketed lone wolves? Where do we get our really tough guys these days? In the military, what does the repeal of DADT really mean? More SNAGs, or more thrills?

Santa Cruz **Mentalist: Put on a Happy Face** taz, Jo

Do carnies turn you on? How about charming con men or damaged puppies? Since the murder of his wife and daughter, Patrick Jane has been obsessed with revenge. He uses his skills as a mentalist to manipulate those around him. He's capable of empathy and acts of great generosity, but that doesn't mean he'll let anything or anyone come between himself and his goal. Does it?

Buenaventura **Fan Art Meta** Naked Bee, Barbana

A chance to discuss the burning questions in the fan art world: what is art and what's not? how is art different from fic? where can I find the good stuff? Suitable for fanart creators, collectors, and critics alike!

Noon

San Miguel B **The Importance of Local Flavor** K'Kathy

How much does the integration of the story setting affect your enjoyment? For example, would SPN be as fun if the two hot guys drove a Volkswagen bus? Would Neal and his retro-hip Rat Pack suits work in LA? Bring examples of shows, movies, and books where settings work and where they don't so we can discuss this often overlooked facet of fandom.

Santa Cruz **Mag 7: Deader than a beaver hat?** Jennifer, Charlotte C. Hill, Dail

They're gorgeous. They're archetypes. Lots of other fandoms have less to work with. So, what the hell?

### 1:00 pm

San Miguel B **Fannish Bullying** Jennifer When we turn on each other, things can get ugly. Is bullying ever justified? What about plagiarism? Promoting a non-standard pairing? What if we only bully those who bullied someone else first?

Santa Cruz **Wayback Machine** TBD Chosen from the Escapade 2001 program book at the Welcome to Escapade panel, in this hour we'll revisit one topic with a decade's worth of hindsight.

14 Buenaventura **And Now For Something Completely Different: Crafts and Hobbies** Commodore Marie, Barbana Many of us knit and some of us sew, but what else? Maybe you make dolls, or brew beer? SCA or RenFaire, anyone? Or maybe you prefer model trains? Come take a break from the serious meta for a bit and enjoy some lighthearted craft and hobby pimp-age. Pictures and samples strongly encouraged!

### 2:00 pm

San Miguel B **OMG, we're getting older!** Dail, Stacy D Escapade is now 21 years old, which means that we, as fans, are also ... older. Is there any such thing as 'too old to be a fan'? How are we planning for what happens to our fannish 'stuff'?

Santa Cruz **Glee: 25% slash, 25% femslash, and 100% fabulous. Come Get Your Glee On!** AnneZo, Anael Creative and unexpected, or uneven and inconsistent? Fanon pairings like Kurt/Puck and Finn/Sam, Rachel/Quinn and Mercedes/Quinn--and then there's the \*canon.\* Are the characters mistreated just to create temporary plotlines? Are the kids believable? Are the adults frighteningly dysfunctional, or endearingly human? What IS it about this show?

## Saturday

Buenaventura

**OTW/A03 Wish list conversation** Sandy H

Do you feel like you don't know how to get your A03 or OTW wishlist through the bureaucracy? A03 is getting better all the time, but there's still a ways to go. Let's brainstorm and turn a list over at the end of the panel.

### 3:00 pm

San Miguel B

**Orphaned Fans** Hippediva, SmutCutter

What to do beside thumb twiddling between fandoms. Or, how to survive falling out of fandom before finding a new shiney.

Santa Cruz

**Burn Notice: Three-legged stools and fourth wheels: the changing team dynamic** dorinda, k'kathy, elynross

The addition of Jesse Porter has been met with mixed feelings in fandom. Has his addition changed the team dynamic, and if so, for better or worse? How has he affected the relationships between Michael, Sam, and Fiona, or even Madeline? Bonus question: how might the Sam Axe prequel movie impact how we view the characters and the series?

Buenaventura

**Archiving Fannish History** Elf (of Elfwreck), Dail

What's involved in making a fannish archive? How much can be digitized, and how does that happen? What's the difference between re-creating the originals and making the contents accessible? Come talk about university collections, PDF conversion, metadata tagging, anonymity, and other issues involved in creating a usable archive.

### 4:00 pm

San Miguel B

**Fanlore: are BNFs writing our history?** Sandy H

Fanlore has an official policy of 'plural points of view', but is that really happening? Have you ever looked up a kerfluffle you were involved in, and seen how your side of the battle was portrayed? (And on the other side, are we afraid of conflict, to the point that Fanlore is bland and safe?)

## Saturday

4:00 pm

Santa Cruz

**Supernatural : The Apocalypse is over but all hell's broken loose!**  
Kadymae/Devilc, tartysuz

Is Season Six really a Season Sux? Let's get together and laugh and bitch about the good, the bad, and the ugly of the final season of Supernatural.

Buenaventura

**Decoding Vid Meaning** Anael

How do you read a vid? Clip choice, lyrics, structure, symbols or the tone of the music-- vids offer plenty of clues, and we decipher them as we see fit. Come watch a vid (or two!) and discuss how we get meaning from what we see and hear to develop a deeper understand of what's going on in the vid. Multiple viewings are required!

Other: Art Show

**Art Show Review** Naked Bee

Like the vid show review, but for the art! A chance to talk about what we liked, why it worked, etc.

5:00 pm

San Miguel B

**My \*\*\*\*\* is not ideologically driven, but is it homophobic?**  
Charlotte C. Hill, ivy

Slash fandom often sees itself as a mostly liberal community. IDIC, right? But recently there's been a slash backlash: it's anti-feminist, a 'symptom' of internalized misogyny. We're 'erasing' the women characters after all. Is slash homophobic? Does slash fandom appropriate gay culture? Is it awesome and ennobling as it makes us happy in our panties, or is all that self-hatred bubbling just beneath the surface of our porn?

Santa Cruz

**Sherlock: What Are We Dealing With?** Layna

Sherlock (2010) has attracted traditional Sherlockians and those just discovering the universe in a heady rush. Themes have emerged that appear to be new, or more pronounced: asexuality, incest, dysfunctional family, psychological disorders. The kink meme has also contributed significantly to the fandom and the fanon. What gives? Really?

## Saturday

Buenaventura **ebook software** Delibby, melina Primarily an introduction to Calibre, but let's talk about some other software that we might be using. We can talk about exporting from archives, choosing file types, that kind of thing. What helps you get the most out of your ereading device?

8:00 pm

San Miguel B, Buenaventura **Escapade Songvid Show** Featuring new and nearly new vids from a variety of fandoms, the Escapade vid show is not to be missed. Choose your viewing environment: on the big screen in San Miguel B (quiet and attentive atmosphere), or the Vid Show Annex in Buenaventura (where conversation and commentary are welcome).

## 17 Sunday

8:30 am

Other: Top of Harbor **Sunday Morning Breakfast** Great breakfast buffet with the best view in town.

9:30 am

Other: Top of Harbor **Escapade Art & Charity Auction** It's fun, exciting, and sexy (and that's before the artwork)! This is your last chance to take home a lovely bit of crafts or artwork. We'll also pull the final raffle winners.

10:30 am

Santa Cruz **Vid Review** SmutCutter, M'lyn Flash all the way back to Saturday night to dissect our favorite (or not) vids from the show.

Santa Cruz

**Stargate: The End?** AnneZo

We were charmed by the original movie concept, many of us were fannishly enslaved by the first television series, others were entranced by Atlantis and some of us even tuned in for Universe. ## Game Rules

We're trying several different games at Escapade this year. From the moment you walk in, you have the opportunity to win big, big prizes. (OK, we're giving away raffle tickets, but they could lead to big, big prizes.)

Program Book Game: If you're the first to identify the source of the slogan on your program book, you get a free prize.

Picture Game: At registration, you should have received a "puzzle" piece. Find the other fans whose pieces complete your picture, and you'll each get a raffle ticket.

Vid Retrospective Drinking Game: Details to be announced at the Songvid Retrospective Friday night. Having fun is the biggest prize of all.

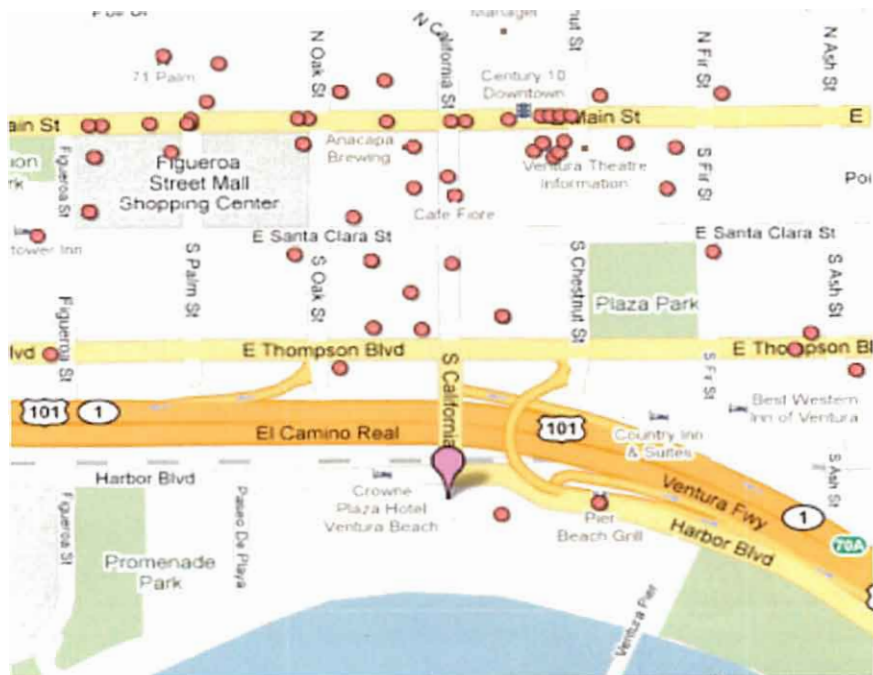

Escapade Party Game: There will be fortune cookies. Find 5 other people with the same fortune you found in your cookie, and present them en masse to a ticket hostess. OR Find 5 other people with different fortunes than the one you found in your cookie, identify each fandom, character, and ep they're from, and present them en masse. No, really, it's worth it! Free tickets!

Among our fabulous prizes, are shiny things from these generous dealers:

- Jencat004 / Nothing but Cool Stuff
- Liz K
- Dreamspinner Press
- Sian / A Wrinkle in Time

Drawings for various prizes will occur throughout the weekend, but for the two big, man-sized prizes, you need to be present to win. Where, you ask?

- Friday at the Party (Drink! Nosh! Win!)
- Sunday at breakfast (Devour! Laugh! Don't Eat Your Ticket! Win!)

As you can see, the area around the hotel is full of restaurants. Between the hotel and Main Street (three blocks away) you'll find:

- C-Street (in the hotel) has great food, including a 3-course sunset dinner special (4:30-7 PM) for \$19. Also, if you save your breakfast receipt, you can get a 20% discount on lunch or dinner the same day.
- Aloha Steakhouse, across the courtyard. Pricy but very good.
- Eric Ericsson's Fish Co. On the pier. Exceptional views. Food mixed.
- The Habit. Great burgers & salads. Everything is prepared fresh.
- Clark's Liquor Store (just across the freeway, next to the Habit).
- Brooks Restaurant. Haven't eaten here, but it has excellent reviews.
- Sushi Marina. Very good! Just ask Dail.
- Bombay Bar & Grill is better known for drinks than food.
- Café Fiore is high quality Italian food.
- Farmers market, Saturday 8:30-noon, corner of Santa Clara & Palm

Explore Main St. for great local restaurants & shops, including Busy Bee Café, Cajun Kitchen, Winchester's Grill, Aphrodite's Lingerie & Gifts (hosting our bra panel on Friday), and Mission Buenaventura. Tony's (on Thompson) is a great local pizzeria.

For groceries, Von's is less than a mile away. Go up to Main Street, turn left, and follow it to Ventura Avenue. Hours: 6 AM to 10 PM.
